

# *Fluminicola fuscus*

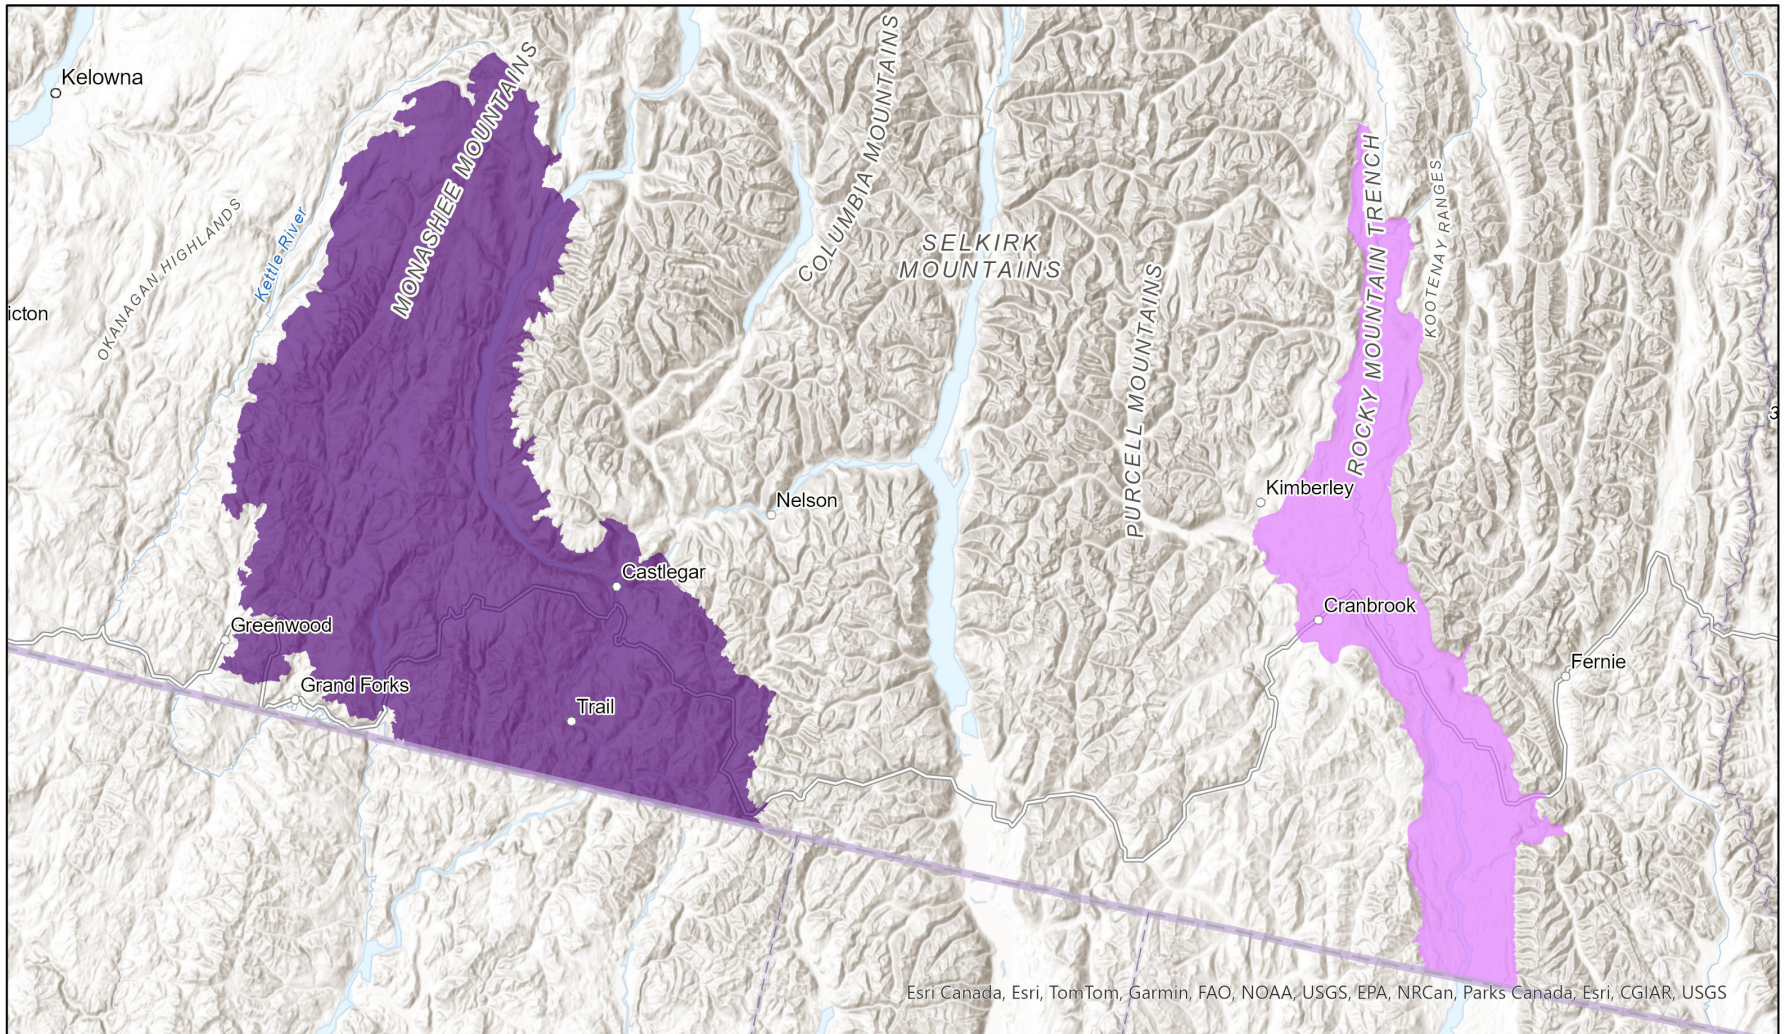

- Present
- Presence Expected
- Historical

## Ecosystem-based Automated Range (EBAR)

Date Generated: February 28, 2024; Version: 1.0; Stage: Expert Reviewed (National); Scope: Canadian

Synonyms Used: None

Input Records - 4 BC Non-sensitive Element Occurrences, 9 GBIF, 1 iNaturalist.ca, 1 iNaturalist.org; Expert Reviews - BC Experts

Map centre: 116.9656° W 49.5268° N  
© NatureServe Canada 2020 under CC BY 4.0

EBAR is relatively coarse scale data and not intended for all applications and analysis. Please see full disclaimer in metadata.

## Ecosystem-based Automated Range (EBAR) Metadata

---

### Species

|                            |   |
|----------------------------|---|
| National Scientific Name:  | <i>Fluminicola fuscus</i> (Haldeman, 1847)  |
| Scientific Name Reference: | Freshwater Mollusk Conservation Society (FMCS). 2021. The 2021 checklist of freshwater gastropods (Mollusca: Gastropods) of the United States and Canada. Considered and approved by the Gastropods Names Subcommittee December 2020. Online: <a href="https://molluskconservation.org/MServices_Names-Gastropods.html">https://molluskconservation.org/MServices_Names-Gastropods.html</a> |
| National English Name:     | Ashy Pebblesnail  |
| National French Name:      |   |
| Element National ID:       | 943076  |
| Element Global ID:         | 943075 ( <a href="#">go to NatureServe Explorer</a> )   |
| Element Code:              | IMGASG3500  |
| Endemism Type:             | N   |
| Canadian COSEWIC Name:     |   |
| Canadian COSEWIC ID:       |   |

## Rank/Status

|   |                                 |
|---|---------------------------------|
| <b>Global Rank:</b>                       | G2 (reviewed February 20, 2015) |
| <b>National Rank (Canada):</b>            | N1N2 (reviewed 2022)            |
| <b>Subnational Ranks (Canada):</b>        | BC=S1S2                         |
| <b>National Rank (United States):</b>     | N2 (reviewed 2005)              |
| <b>Subnational Ranks (United States):</b> | ID=S3, OR=S1, WA=S2             |
| <b>National Rank (Mexico):</b>            | None                            |
| <b>Subnational Ranks (Mexico):</b>        | None                            |
| <b>Canadian SARA Status:</b>              | None                            |
| <b>Canadian COSEWIC Status:</b>           | None                            |
| <b>US ESA Status:</b>                     | None                            |

## Range Map

|                                |   |
|--------------------------------|---|
| <b>Date Generated:</b>         | February 28, 2024   |
| <b>Version:</b>                | 1.0   |
